

## **SLEEP WALKING**

### **No. of Scouts: 4**

*Three scouts are onstage chatting quietly when the fourth scout comes onstage with her arms out in front of her then removes scout one's shirt and walks back off.*

*Scout One: Help! She's taken my shirt!*

*Scout Three: Ssh! She's sleepwalking and you should never wake people when they're sleepwalking. Don't worry, she'll bring it back when she wakes up. (Scout four comes back onstage, as before, and takes off scout two's footwear and walks off with it.)*

*Scout Two: Help! She's taken my shoes!*

*Scout Three: Ssh! She's sleepwalking and you should never wake people when they're sleepwalking. Don't worry, she'll bring them back when she wakes up. (Scout four comes back onstage, as before, and takes scout three by the arm and walks off with him.)*

*Scout Three (smiling): Ssh! She's sleepwalking and you should never wake people when they're sleepwalking. Don't worry, she'll bring me back when she wakes up. If I let her!*
